

## VICE PRESIDENT MEMBERSHIP 2021-2024

### REPORT 2023

Dear President,

It is a great pleasure for me to serve BPW International as Vice President Membership.

For us, all members are the priority and the core of the organisation, which draws its strength from the training of its members and its tradition of seriousness and commitment.

We have always supported the enhancement of the human resources by promoting training and professional qualification.

Being aware of the great value of partnership, we have always promoted networking, knowing that it is a fundamental tool for growth and social development.

Our success is determined by the collegiality of the initiatives, from design to implementation, based on a full sharing of our activities; we can say that cooperation is the added value for BPW International, as clearly shown in our international theme.

I am working, according to my role and my duties ( P.M. 2.3.2), with the International President and the members of the Standing Committee Membership because it is very important to work with the whole team to realize our duties.

I organised periodically some zoom meetings with them to carry out our set of activities.

Constantly I improved communication and answered the mail from our members or the other women to promote our Organization.

I encouraged and supported the formation of THIRTY NINE new clubs and FOUR new Federation, particularly 4 clubs in BPW Latin America Region, 5 in BPW Europe Region, 19 in BPW Africa Region, 9 in BPW Asia Pacific Region, 2 clubs in BPW North America & Caribbean.

The Federations are: BPW BURKINA FASO, BPW MYAMNAR, BPW PHILIPPINES, BPW GABON.
